

Homeward Bound

This thank you note is for the hundreds of walkers who weathered the rain at Sunday's Homeward Bound 5k Walk. The parents pushing strollers, the four-legged pets walking their owners, the children in their rain boots and slickers, you are truly committed to stamping out hunger and homelessness in your community. I applaud you. For those still wishing to donate to any of the 12 agencies participating in this walk you still can one of three ways: c/o Kathy Mayer, Office Manager for the Community & Family Resources Department, 401 N. Morton St., Bloomington IN 47404; c/o Barry Lessow, United Way, 441 S. College Ave., Bloomington IN 47403; make your check out to Homeward Bound with the name of agency in the memo line; or donate on line at www.homewardboundindiana.org/bloomington.
